

Archelon Enclosures Is Perfect Ingredient for Hospitality Industry's Mobile Technology

Teletec Systems Inc. to showcase Archelon's solutions in action at CRFA booth 2341

San Diego, California – February 25 , 2014 – Archelon Enclosures, a leading manufacturer of iPad® and tablet enclosures, will join forces with Teletec Systems Inc. at this year's Canadian Restaurant and Foodservices Association (CRFA) show at Direct Energy Centre in Toronto, Ontario, March 2 to 4, 2014.

The CRFA Show is the premiere event for Canada's vibrant hospitality industry that helps thousands of business professionals stay ahead of trends and see the newest products and services. It's the flagship trade show for the CRFA and the biggest event of the year for Canada's hospitality industry, attracting nearly 13,000 visitors over three days.

At this year's show, Teletec Systems Inc. will be featuring RestaurantManager™ solutions including the RMKiosk, RMTTablet and RMHandheld software, all utilizing Archelon Enclosures' solutions.

"There has been a big change in the use of tablet point of sale (POS), and today's savvy restaurateurs are very focused on slim, unobtrusive and decor friendly input devices for their staff and customers," said Andrea Roberts, vice president of Teletec Systems Inc. "Archelon Enclosures offers the perfect solution to secure the tablets while complementing their slim, sleek look."

Archelon Enclosures provides diversity in their product line to protect and secure Apple iPads® and other tablet devices, allowing for a variety of use applications in the restaurant environment. From POS and tableside ordering, to menu display and self-serve kiosks, Archelon's patented technologies prevent theft and enhance the application performance.

"With the increased use of tablet technology in the restaurant industry, the need to secure the tablet investment and provide an affordable enclosure is critical," stated Debi Besmer, managing partner for Archelon Enclosures. "Not to mention, all Archelon products are Made in the USA, making it easier for our Canadian customers to do business. "
