

Archelon Enclosures To Showcase Tablet Security Solutions

At RetailNOW 2013

The EXO and XTR trending as the most versatile tablet solutions in the retail industry

San Diego, California – July 29, 2013 – Archelon Enclosures, a leading manufacturer of iPad® and other tablet enclosures, will showcase their enclosures on August 4th through 7th at the 2013 RSPA RetailNOW Convention in Las Vegas. Industry professionals meet at RetailNOW each year to exhibit new business trends, emerging technologies and best business practices.

“Security and mobility are hot topics in the retail space right now,” said Debi Besmer, Managing Partner of Archelon Enclosures. “Our products give diversity in the solutions offered —from securing your tablet to enabling the user to transition from a docked station to a mobile platform — in seconds.”

Archelon’s EXO and XTR product lines provide secure protection for Apple iPads. Because of the versatility of the Archelon products, they offer as a perfect solution for all tablet uses in the retail industry. Both EXO and XTR products offer the ultimate in protection and their patented technologies secure tablets to prevent theft and enhance application performance. Features include portrait, landscape, side-to-side, and 180 degree flip viewpoints, tamper-proof plugs, cable management, and a locking key detachable frame that allows users to remove the tablet from the base for use when mobility is a requirement.
